PEDIATRIC PALLIATIVE CARE MOVING FORWARD

Javier R. Kane, MD, St. Jude Children's Research Hospital: Javier R. Kane, MD, is Director of Palliative and End-of-Life Care at St. Jude Children's Research Hospital. He comes to St. Jude from San Antonio, Texas, where he was Associate Professor of Pediatrics in the Division of Hematology Oncology Immunology at the University of Texas Health Science Center. He also worked as Director of the Brain and Spinal Cord Tumor Program in the Cancer and Blood Disorders Center at CHRISTUS Santa Rosa Children's Hospital.

A ROAD MORE TRAVELED

Terry Pratt, Centers for Medicare & Medicaid Services: Terry Pratt is the Deputy Director for the Disabled and Elderly Health Programs Group in the Center for Medicaid and State Operations, within the Federal Centers for Medicare & Medicaid Services (CMS). Ms. Pratt began her federal career with the Social Security Administration in 1978, and since that time has been devoted to working with programs that serve our nation's most vulnerable populations. She started working at CMS, formerly the Health Care Financing Administration, in 1989 and has extensive experience with long term policy and program areas such as hospice, home and community based care, managed care, mental health, 1115 demonstrations, the Program of All-inclusive Care for the Elderly (PACE), self direction and Medicaid State plan Amendments.

PATIENT AND FAMILY CENTERED CARE

Jennifer Smith Stepanek, Ph.D., Mattie J.T. Stepanek Foundation: A published author or editor of numerous books, articles, and chapters, Jeni is also a noted and award-winning motivational speaker on topics ranging from disability and collaboration to bereavement and spirituality. She earned her doctoral degree in early childhood special education from the University of Maryland, College Park.

EVIDENCE-BASED PRACTICE

Kathleen Stevens, EdD, RN, FAAN, UTHSCSA Academic Center for Evidence-Based Practice; she is also founding director of the Academic Center for Evidence-Based Practice (ACE), where she leads efforts to advance evidence-based quality improvement through research, education, and practice. Stevens is an investigator with the Veterans Evidence-Based Research, Dissemination, and Implementation Center for VHA with emphasis on systematic reviews and organizational change for evidence-based quality improvement.
